HanDe[®]

Natural Screen For Blinds, Sofas and Pillows

Leisure

➤ **Multi-purpose: suitable for blinds, sofas, and pillows**

The distinctive blend of polymer and polyester yarn in LEISURE fabric provides exceptional softness, along with waterproof, anti-fouling, and other features, and excellent performance on blinds, sofas, and pillows.

➤ **Superior durability**

The unique combination of polymer yarn and polyester yarn enables the fabric to maintain high durability and color fastness.

➤ **Health and Safe**

Leisure is very environmentally friendly and safe. It does not contain substances harmful to human body. The PH value is weak alkaline. It does not contain substances that are irritating to human body. It has certificates such as the GreenGuard for US and oeko-tex 100 for EU.

➤ **Application for roller and roman, etc.**
